| Progress 8 | <p>Progress 8 aims to capture the progress a student makes from the end of primary school (Year 6) to the end of secondary school (Year 11). It is a type of value added measure, which means that students' results are compared to the actual achievements of other students with similar prior attainment across the country.</p> <p>Progress 8 scores will be centred around 0, with most schools within the range of -1 to +1:</p> <ul style="list-style-type: none"> • A score of 0 means students in this school on average do about as well at KS4 as those with similar prior attainment nationally. • A positive score means students in this school on average do better at KS4 as those with similar prior attainment nationally. • A negative score means students in this school on average do worse at KS4 as those with similar prior attainment nationally. | -0.22 | |
| <p>The English Baccalaureate (EBacc)</p> <p>Entry Percentage</p> | <p>The EBacc is a set of subjects (identified and stipulated by the Government) at GCSE that keeps students' options open for further study and future careers.</p> <p>The EBacc is made up of the study of the following subjects:</p> <p>English Language and English Literature Maths The Sciences (Biology, Chemistry, Physics) Geography or History A Modern Foreign Language (French, Spanish, German)</p> <p>Secondary schools are measured on the number of students that take GCSEs in these core subjects. Schools are also measured on how well their students perform in these subjects. The EBacc is classified as a performance measure for schools, not a qualification for students.</p> | 20% | <p>The percentage number of students who undertook qualifications in all the following subjects:</p> <p>English Language and English Literature Maths The Sciences (Biology, Chemistry, Physics) Geography or History A Modern Foreign Language (French, Spanish, German)</p> |
