

Task for September:

- Having just completed your GCSEs, I don't want to over-burden you with things to do over the summer!
- However, there are a couple of key things that I would like you to complete:
- 1: Read through the pre-reading sheet 'Direct Realism' - I have uploaded it to the VLE
- 2: Research one of these philosophical problems and present your findings on 1 side of A4/Powerpoint.

Choose from:

- A: The Mind-Body Problem
- B: The Problem of Evil
- C: The Paradox of the Stone
- D: The Euthyphro Dilemma
