## 1. Introduction

Rugby Free Secondary School is proudly recognised as an Inclusive Attendance school. Our unwavering commitment to attendance centres around child-centred actions, evidence-informed practices, and a shared understanding of everyone's roles and collective responsibilities to promote exceptional attendance. We are aware of the multitude of challenges that all stakeholders face with regards to attendance, and look to operate a 'support-first' approach to improving both individual and whole-school attendance, utilising tiers of support over time. This is underpinned by a recognition-based ideology, where individuals are recognised for the steps they are taking on their own respective journey.

## 2. Inclusive Attendance Professional Development Model

The Inclusive Attendance professional development model fundamentally guides our attendance approach. Comprising six tailored Learning Modules, this model empowers us to deepen our understanding by facilitating continuous professional learning for all staff. Within this model, the four domains of practice ensure the provision of professional learning, professional development, evidence-based practices, and exemplary leadership and management to seamlessly integrate theory into practice.

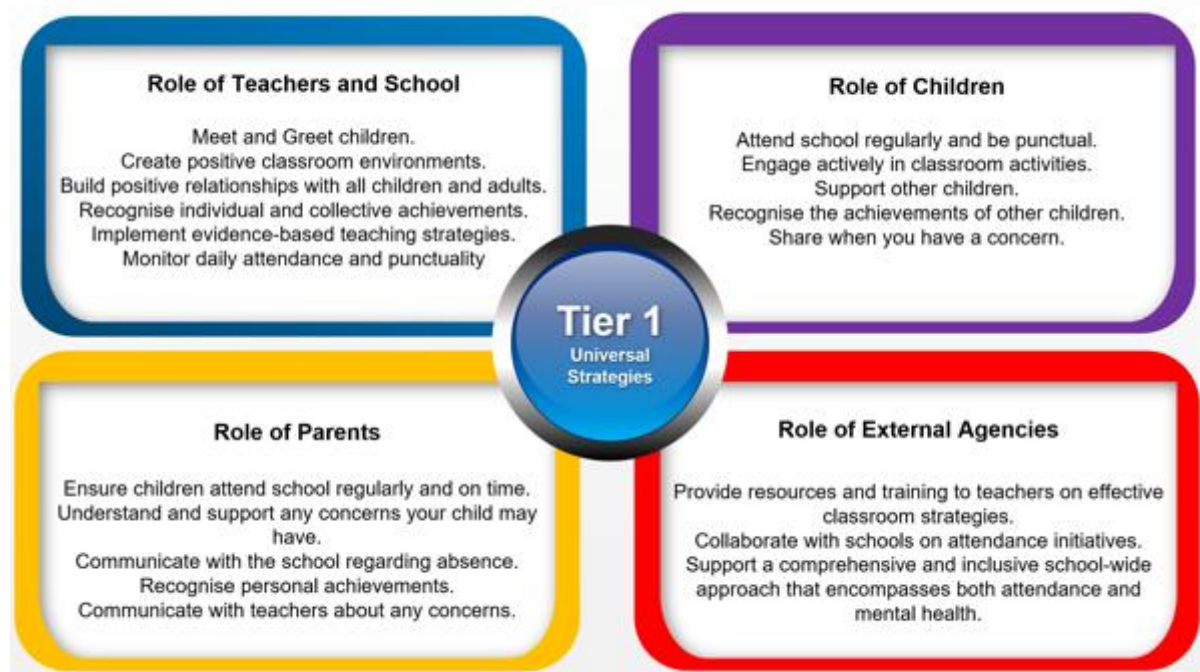

### 3. Annual Inclusive Attendance 7-Month Development Programme

Each year, Rugby Free Secondary School review and further enhances attendance practices through dedicated participation in the Inclusive Attendance 7-month development programme. This investment allows us to remain at the forefront of educational change and extends unparalleled support to our children and their families, equipping them with access to the finest possible assistance.

### 4. A Multi-Tiered System of Support

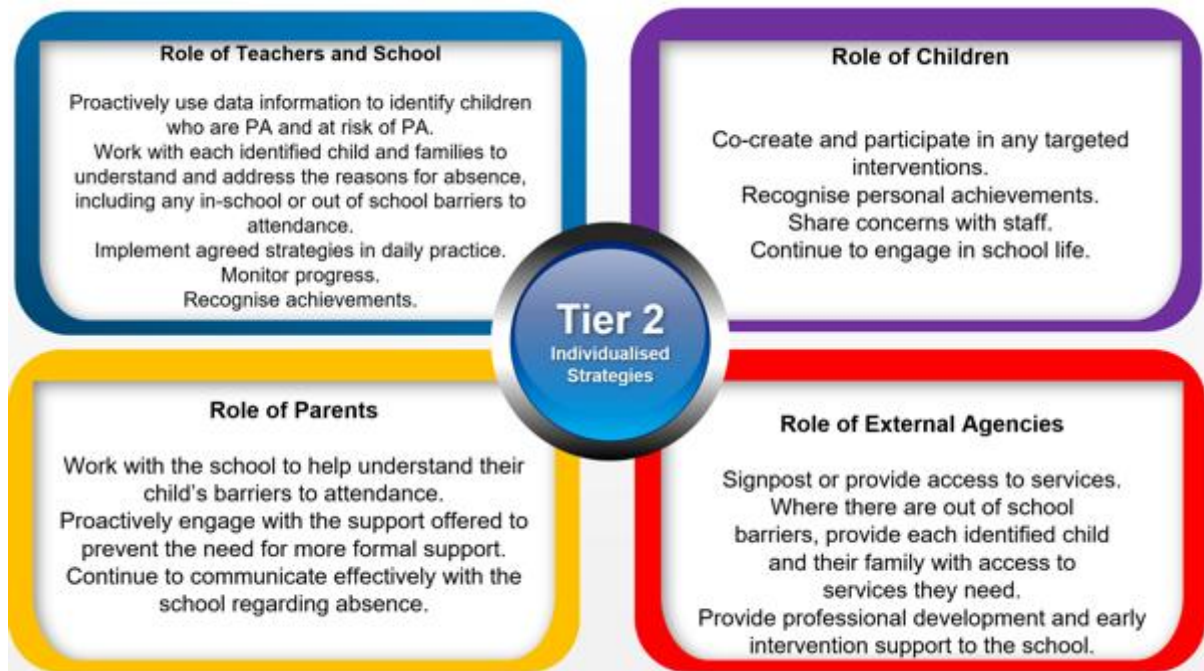

To guarantee a comprehensive approach to attendance, Rugby Free Secondary School implement a Multi-Tiered System of Support. A Multi-Tiered System of Support (MTSS) for school attendance involves three tiers of intervention, with roles for teachers, the school, children, parents, and external agencies – including the Local Authority. Data-driven decision-making and training requirements are pivotal to the implementation of this system. The system aligns with the Department for Education's (DFE) "Working Together to Improve School Attendance" statutory paper 2024.

**Tier 1 - Universal Approach: Establishing a baseline universal attendance approach that benefits all children.**

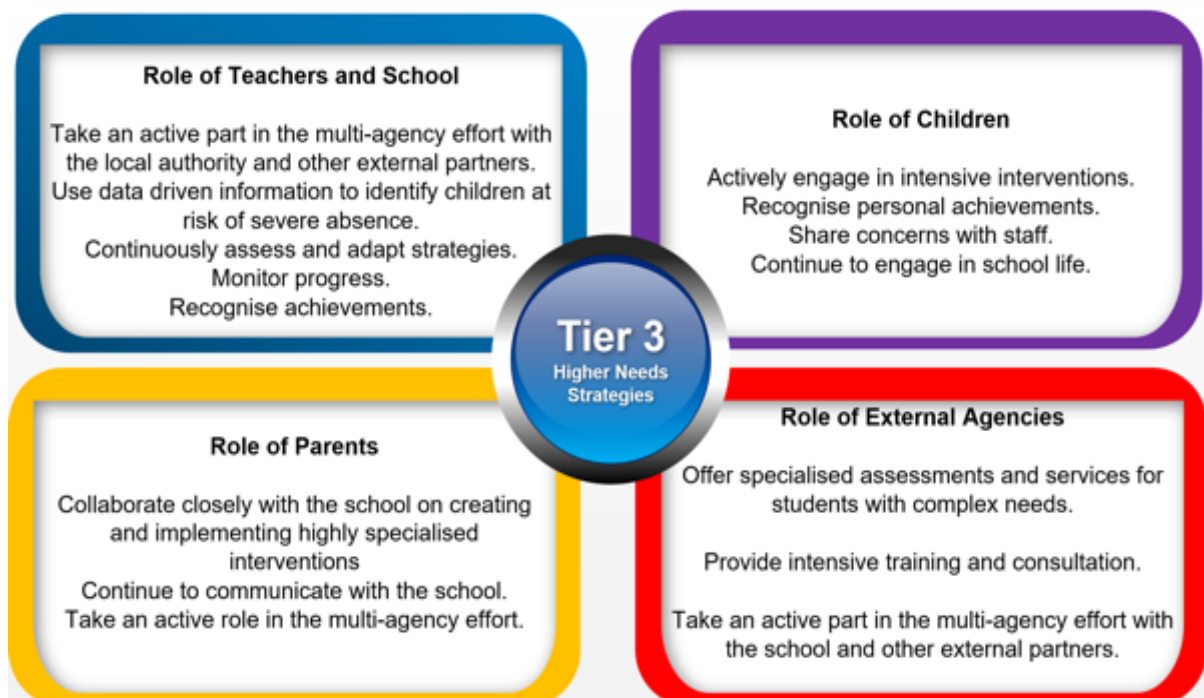

**Tier 2 – Internal individualised Strategies and Early Help Support:** Tailoring strategies to individual needs and providing early help support for persistent attendance challenges.

**Tier 3 - Higher Needs Strategies Support:** Furnishing specialised support for children, young people, and families with complex attendance requirements, including access to external agency support when necessary.

## 5. Rugby Free Secondary School Recognition-Based Approach

Our attendance philosophy is rooted in a recognition-based approach that recognises both personal and collective achievements. This approach serves to thwart isolation, prevent victimisation, cultivate positive environments, nurture relationships, foster inclusivity, and ultimately cultivate intrinsic motivation among our children, families, and staff.

RFSS prides itself on its relationship driven approach to all aspects of education. This includes having a Relationship for Learning Policy rather than a standard 'Behaviour' policy, and a relationship focussed Attendance Policy.

Working with RFSS to improve attendance will use a combination of, but is not limited to, the many approaches seen below:

- 'Doing with' rather than 'doing to' students and their parents/carers
- In-person meetings and Teams meetings with parents/carers
- Home visits
- Personalised timetables where necessary
- Attendance celebrations on a personal level reflecting personal goals
- Recognition of improvements in attendance and punctuality shared privately with students and parents/carers
- Use of Trauma Informed, Attachment Aware behaviours and language in all situations
- Tiers 1-3 used in a 'waved approach' on an individual basis
- Individualised support offered by Warwickshire Attendance Service to families
- Personalised integration plans as required, constructed with the aim to return to student to full time education in a timely manner that reflects any barriers to their attendance

## 6. The Importance of School Attendance at Rugby Free Secondary School

School attendance is not merely a requirement but a fundamental pillar of education. It plays a pivotal role in shaping academic success, personal growth, and future prospects, making it an indispensable aspect of any educational system. Regular attendance to school can have a significant impact on:

- *Academic Achievement:* Regular attendance directly correlates with academic success. Children who attend school consistently are more likely to keep up with the curriculum, perform better in exams, and improve their life outcomes.
- *Knowledge Acquisition:* School is where children acquire knowledge and skills that are crucial for their personal and professional growth. Missing days means missing out on valuable learning opportunities.
- *Social Development:* School provides a vital social environment for children and adolescents to interact with peers, develop friendships, and learn essential social skills. Consistent attendance ensures children remain connected to their peer group.

- ***Building Routine:*** School attendance establishes a structured routine in children's lives, teaching them time management and responsibility, which are valuable life skills.
- ***Teacher Interaction:*** Regular attendance allows for meaningful teacher-child interactions. Teachers can provide personalised support, address questions, and assess individual progress more effectively when children attend regularly.
- ***Preventing Knowledge Gaps:*** Frequent absences can lead to significant knowledge gaps, making it challenging for children to catch up with missed lessons, potentially resulting in long-term academic struggles.
- ***School Engagement:*** Children who attend school regularly are more likely to engage in extracurricular activities, sports, and other enriching experiences that contribute to their overall development.
- ***Legal and Parental Responsibility:*** Parents or guardians are legally responsible for ensuring their child's regular school attendance. Failing to do so can lead to legal consequences.
- ***Community Well-being:*** High levels of school attendance contribute to the overall well-being of communities.
- **Factors Influencing Attendance**

There are many factors which can impact on a child attending school, if you have any concerns you should contact the school as soon as possible:

- ***Health Issues:*** Children may experience physical or mental health issues that lead to absences. Chronic illnesses, infections, and mental health conditions can impact a student's ability to attend school regularly.
- ***Special Educational Needs (SEND):*** Students with special educational needs may require additional support and accommodations to attend school regularly. We are significantly above national averages for SEND, so our approaches are always with SEND in mind.
- ***Engagement and Motivation:*** Lack of engagement with school activities and a perceived lack of relevance in the curriculum can lead to disinterest in attending. Children who are not motivated may avoid attending school.
- ***Parental Involvement:*** Parental support and involvement in a child's education can positively influence attendance. Lack of parental engagement may lead to increased absenteeism.
- ***Family Circumstances:*** Family-related factors such as bereavement, family illness, or caring responsibilities can result in absences from school. In some cases, students may need to take time off to support their families.
- ***Peer group concerns:*** Experiences of issues within the peer group, harassment, or safety concerns at school can deter students from attending. They may fear for their safety or well-being, leading to increased absenteeism. Children may also avoid

attending school to align with the behaviour of their peers or to engage in social activities outside of school.

- *Contextual safeguarding concerns:* Young people in Rugby and the surrounding areas can become involved in contextual issues such as County Lines and gang culture, which can have a significant impact on their attendance to school.
- *Academic Challenges:* Students facing academic difficulties or feeling overwhelmed by coursework may avoid school. They may fear falling behind or failing in their studies.
- *Cultural and Language Barriers:* Children from diverse backgrounds may face challenges related to language barriers or cultural differences. These challenges can affect their attendance and engagement with school. For e.g. girls attending school throughout their menstrual cycle.
- *Socioeconomic Factors:* Families facing financial difficulties may struggle to provide necessary resources for their children to attend school regularly. Issues such as lack of appropriate clothing, food, or a stable home environment can contribute to absenteeism. We are above national averages for PP, so our approaches are always with PP in mind.
- *Transportation Issues:* Difficulty in accessing transportation to school, especially in rural areas, can affect attendance. Lack of reliable transportation options can lead to sporadic attendance.

## 7. Attendance and Punctuality Ethos and Expectations at Rugby Free Secondary School

Rugby Free Secondary School is committed to providing an education of the highest quality for all its students and recognises this can only be achieved by supporting and promoting excellent school attendance for all. This is based on the belief that only by attending school regularly and punctually will children and young people be able to take full advantage of the educational opportunities available to them. High attainment depends on good attendance. It is the policy of our school to celebrate both. All staff will work with students and their families to ensure each student attends school regularly and punctually. We recognise that parents have a vital role and there is a need to establish strong home-school links and communication systems. We will provide effective and efficient communications with students, parents, and appropriate agencies to provide mutual information advice and support in order to meet our objectives.

*'It is the legal responsibility of every parent to make sure their child receives education by either attendance to school or by education otherwise than at a school. Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.'* **Working Together to Improve School Attendance 19<sup>th</sup> August 2024**

## 9. Strategies for Using Data to Target Attendance Improvement Efforts at Rugby Free Secondary School

The Attendance Manager analyses all attendance data on a weekly basis and produces a report to cover the following:

- The whole school cohort and Individual year groups.
- Individual students.
- Demographic groups, e.g., students from different ethnic groups or economic backgrounds.
- Other groups of students, e.g., students with SEND, CiC, and students eligible for FSM.
- Students who have an allocated social worker or are known to social care.
- A student who is absent for prolonged periods, or repeated occasions, which may indicate a safeguarding concern, such as CSE or CRE, particularly county lines.
- Students at risk of PA.
- Students at risk of SA.

Following this, the Attendance Manager meets on a weekly basis to discuss patterns with the SLT link, this information is shared with the Key Stage Leads who make the decisions on next steps along with any appropriate additional staff members.

Next steps may include:

- Phone call contact with parent
- Meeting with child, parent or both
- Attendance targets being set
- Use of the Tiered Approach

### Strategy for Reducing Persistent and Severe Absence at Rugby Free Secondary School

Early identification of students at risk of Persistent Absence (19+ days per academic year) or Severe Absence (those missing 50% or more of school). All students identified in either of these categories are allocated a personalised plan along with a linked member of staff from RFSS. In addition to this, all individual students are discussed termly with our Education Casework Officer from Warwickshire Attendance Services.

‘Where attendance is not improving and school support and other agency support has been exhausted, is not working or there is evidence of a lack of parental engagement, additional support can be provided through the Targeted Attendance Support Pathway, taking forward formalised support and legal interventions where appropriate (see section below).

## 10.Details of the National Framework for Penalty Notices at Rugby Free Secondary School

National Framework for Penalty notices and the Warwickshire County Council’s Code of Conduct is available on the following link:

[Students non-attendance and fixed penalty notices – Warwickshire County Council](#)

An attendance contract may be deemed necessary and is a formal agreement between parents and the school or local authority to address irregular attendance, providing support as an alternative to prosecution. It is not legally binding but serves as a formal route to secure engagement with support when voluntary early help plans have not worked. An attendance contract aims to offer support rather than punishment.

If voluntary support or attendance contracts are unsuccessful, an Education Supervision Order (ESO) can provide formal legal intervention without prosecution. Before proceeding with an ESO, the school and local authority should exhaust voluntary support options and ensure the order would benefit the student and parent. Persistent non-compliance with an ESO can lead to prosecution in the Magistrates Court by the local authority. Upon conviction, parents may face fines of up to £1,000.

Local authorities have the power to prosecute parents for various offences related to attendance:

Failure to comply with a school attendance order may result in fines of up to £1,000. Failure to secure regular attendance at school or alternative provision may lead to fines of up to £2,500 and/or imprisonment. Persistent non-compliance with an Education Supervision Order may result in fines of up to £1,000.

### **11. Removal from Roll**

This refers to the process of a child's name being officially taken off the school's register, typically due to extended non-attendance or other circumstances. Elective Home Education (EHE) is an option that some parents choose after removal from roll, where they take responsibility for providing education to their child at home.

### **12. Elective Home Education**

If a parent requests information regarding EHE, our first response is to request a meeting to discuss the decision. Once the parent has made this decision the Warwickshire EHE Guidance is emailed to the parent outlining Parental Responsibilities, LA responsibilities and help for those considering EHE.

If the parents decide to continue with this, RFSS requires a statement in writing confirming this intent.

Once received, the Attendance Manager completes the 'Elective Home Education EHE, Student School Exit Form' paperwork and submits this to the EHE Team, Warwickshire.

### **13. Reporting Absence, First Day Calling and Attendance Safeguarding at Rugby Free Secondary School**

Parents/carers are expected to email or telephone the Attendance Manager at RFSS as soon as possible to inform us if a child is to be absent or late.

This must be completed on each day that the absence applies.

Email: [attendance@rugbyfreesecondary.co.uk](mailto:attendance@rugbyfreesecondary.co.uk)

Call: 01788 222060 option 2 and a message left

### **14. Procedures for Continued Absence**

Parents/carers must continue to contact the RFSS Attendance Manager daily for as long as the absence persists.

In the event that the Attendance Manager does not receive a message from a parent/carer and a child is absent, the following procedures are followed:

Day 1 absence: An automated message is sent to the parent/carer if no reason for absence has been provided. This can result in a home visit if no contact can be made.

Day 3 absence: A welfare call to the parent/carer is placed by the Attendance Manager

Day 5: As day 3 with the offer of further support if required

**Within every ten days of a child's absence they will be seen by a member of RFSS staff either in person or via TEAMS.**

### **15.Children Missing in Education**

At RFSS we have a legal duty to identify children who are missing education (CME), taking action where necessary and ensuring children are receiving suitable education. This duty applies to all maintained schools, academies, free schools and independent schools. The CME service is available for referrals when a child is absent from school and their whereabouts is unknown or that a child is not on a school roll and there does not seem to be any education in place

We will conduct home visits should we be concerned that a student has not been in school, and if we haven't received information from parents/carers as to why their child has not attended

Anyone with a concern that a child is missing education can make a referral to Complete the Children Missing Education (CME) referral form and send securely to [cme@warwickshire.gov.uk](mailto:cme@warwickshire.gov.uk)

If you have a concern about a child's safety or well-being which requires immediate action, call the Warwickshire Children and Families Front Door (and police if appropriate) without delay on 01926 414144 or the police on 999

### **16.School Times of the Day at Rugby Free Secondary School**

The school day begins at 08:35 and ends at 15:10

Children are expected to arrive on time and attend all scheduled lessons and activities, following their expectations in the Relationships for Learning Policy.

### **17.Coding of Attendance**

Attendance will be recorded using the DFE's statutory attendance codes, please refer to the appendix for coding.

### **18.Requesting Leave of Absence**

***Leave of absence during term time will only be authorised in exceptional circumstances.***

The Government issued updated guidance on 'Granting leaves of absence' in August 2024.

Within this, it states that Headteacher shall not grant any Leave of Absence during term time unless it is considered there are exceptional circumstances relating to the application, and

will discuss how many school days a child may be absent from school if the leave is granted with the Attendance Manager.

The school can only consider applications for Leave of Absence which are made by the resident parent/carer. i.e., the parent/carer with whom the child normally resides and must be made a minimum of 10 school days in advance. Failure to do so will result in the absence being recorded as "unauthorised".

Applications for Leave of Absence which are made in advance and refused will result in the absence being recorded as "unauthorised".

All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service of Warwickshire County Council who have the authority to consider issuing Fixed Penalty Notices for Leave of Absence in line with the Warwickshire County Council's Non-School Attendance and Penalty Notices Code of Conduct. A copy of which can be found at:

[Students non-attendance and fixed penalty notices – Warwickshire County Council](#)

Each application for a Leave of Absence will be considered on a case-by-case basis and on its own merits and will only be authorised in exceptional circumstances.

## 19. Definitions

In the context of school attendance and education in the UK, the terms "Persistent Absence," "Risk of Persistent Absence," and "Severe Absence" are used to describe different levels of irregular attendance by students. These terms are important for tracking and addressing attendance issues.

### Persistent Absence (PA):

**Definition:** Persistent Absence is a term used to describe a level of student absence from school that is considered to be a significant cause for concern.

**Threshold:** In England, a student is considered to be persistently absent when they have an attendance rate of 90% or below. This means they have missed 10% or more of their school sessions.

### Risk of Persistent Absence:

**Definition:** The term "Risk of Persistent Absence" refers to a situation in which a student's attendance is at a level that suggests they are at risk of becoming persistently absent.

**Threshold:** While there is no specific threshold for "Risk of Persistent Absence," it is typically used to describe students whose attendance is consistently low and becoming a concern, as the school communicates to parents in days, we identify 10 days or more as Risk of PA and we will follow internal school procedures.

### Severe Absence (or Severe Persistent Absence):

**Definition:** The term "Severe Absence" or "Severe Persistent Absence" is used to describe the most serious cases of non-attendance.

**Threshold:** Particular focus and support will be provided to students who are absent from school more than they are present (those missing 50% or more of school). These severely absent students may find it more difficult to be in school or face bigger barriers to their regular attendance and as such are likely to need more intensive support across a range of external agency partners.

#### Absence Definitions

- Arrival at school after the register has closed.
- Not attending school for any reason.

#### Authorised Absence

- An absence for sickness for which the school has granted leave.
- Medical or dental appointments which unavoidably fall during school time, for which the school has granted leave.
- Religious or cultural observances for which the school has granted leave
- An absence due to a family emergency

#### Unauthorised Absence

- Parents keeping children off school unnecessarily or without reason.
- Truancy before or during the school day.
- Absences which have never been properly explained..
- Arrival at school after the register has closed.
- Absence due to shopping, looking after other children or birthdays.
- Absence due to day trips and holidays in term-time which have not been agreed.
- Leaving school for no reason during the day.

## 20.Policies and Practice

This attendance policy operates within the framework of statutory attendance regulations outlined in the Education (Student Registration) (England) Regulations 2006 and subsequent amendments. Rugby Free Secondary School adhere to the following key attendance acts in the UK:

- *Education Act 1996:* The Education Act 1996 is the primary piece of legislation that sets out the legal framework for school attendance in England and Wales. It outlines the responsibilities of parents, carers, and schools in ensuring regular school attendance. Sections 444-447 of the Act deal with offences related to non-attendance and penalties for parents and carers.
- *Education (Student Registration) Regulations 2006:* These regulations specify the procedures for registering students and maintaining attendance records in schools in England. They also define the circumstances in which a student can be marked as absent or present.
- *Education (Student Registration) (England) (Amendment) Regulations 2013:* These regulations amended the 2006 regulations and introduced stricter rules on authorizing

term-time holidays. Under these regulations, headteachers are only allowed to grant leave of absence in exceptional circumstances.

- *School Attendance Code of Practice*: The School Attendance Code of Practice provides guidance to schools, local authorities, and parents on the law and procedures relating to school attendance and absence. It sets out the principles for promoting good attendance and dealing with poor attendance.
- *Local Authority School Attendance Guidance*: Each local authority in the UK may provide its own guidance and policies on school attendance. Schools should be aware of and follow the specific guidance issued by their local authority.
- *Department for Education (DFE) Guidance*: The DFE periodically issues guidance documents and updates related to school attendance. Schools should stay informed about the latest DFE guidance 2024 and follow any recommendations or requirements outlined in these documents.
- *Child Employment Legislation*: Legislation such as the Children and Young Persons Act 1933 and the Children (Performances) Regulations 1968 govern the employment and attendance of children involved in performances, modelling, and other activities outside of regular school hours.
- *Children Missing Education (CME) Statutory Guidance*: This guidance outlines the responsibilities of local authorities in identifying and tracking children who may be missing education, including those who are not on a school roll or are not receiving suitable education.
- *Section 19 of the Education Act 1996 (England and Wales)* outlines the duty of local authorities in ensuring that suitable education is provided for children of compulsory school age.

- **Monitoring Attendance:** Teachers are responsible for monitoring the daily attendance of their children. They should maintain accurate attendance records, noting both present and absent students.
- **Promoting Punctuality:** Teachers should encourage students to arrive at school on time each day. Punctuality is essential for a smooth start to the school day and minimises disruptions in the classroom.
- **Taking Immediate Action:** When a child is absent without prior notification or a valid reason, teachers should take immediate action. This may involve contacting the school's attendance officer or designated staff member to report the absence.
- **Early Intervention:** Teachers should identify patterns of poor attendance or lateness and intervene early to address any underlying issues. This may include communicating with the student, their parents or guardians, and relevant support services.
- **Maintaining Communication:** Teachers should maintain open lines of communication with parents or guardians regarding attendance. They should inform parents of any concerns about a child's attendance or punctuality.
