We understand students are sometimes injured or unwell, we will require a note from the parent/carer as to why they are not taking part. We ask students to still always bring their kit though please, this is because students will be given a role within the lesson to aid their learning, even if they are not able to take part. It is also important that students don't get their school uniform dirty or wet, therefore we will ask they get changed. Non-compliance or absence of kit will result in the sanction of a 'no PE kit' detention.
